

## Les divisions avec 2, 4, 6, 8

1. Diviser en 2 parts égales :

A box with the number 4 is shown above a vertical line. On the left side of the line are 4 tomatoes, and on the right side are 4 tomatoes. A box is provided below the line for the answer.

A box is provided above 4 burgers, and another box is provided above 4 apples.

2. Divise par 2 et colorie chaque moitié avec 2 couleurs différentes :

A blue bar with the number 8 is shown above 8 empty boxes. To the right, a blue bar with the number 2 is shown above 2 empty boxes.

A blue bar with the number 4 is shown above 4 empty boxes. To the right, a blue bar with the number 6 is shown above 6 empty boxes.

3. Les jumelles Johanna et Maria :

Johanna et Maria reçoivent des cadeaux pour leurs anniversaires. Partage-les en parts égales. Chacune des 2 recoit la même chose.

Johanna and Maria are shown with various gifts: watermelon, a cake, crayons, a teapot, teddy bears, and trumpets. Boxes are provided for dividing each gift into two equal parts.
