

Les tables de multiplication jusqu'à 51. Transforme les additions en multiplication :

$$3 + 3 + 3 = \square$$

$$3 \times 3 = \square$$

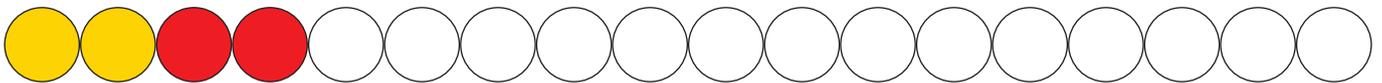

$$4 + 4 + 4 + 4 + 4 = \square$$

$$\square \times \square = \square$$

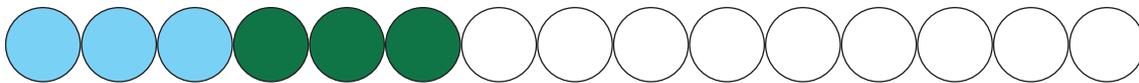

$$5 + 5 + 5 + 5 + 5 + 5 + 5 + 5 = \square$$

$$\square \times \square = \square$$

2. Colorie les ronds avec 2 couleurs différentes en fonction du nombre indiqué :

$$2 + 2 + 2 + 2 + 2 + 2 + 2 + 2 + 2 + 2 = \square$$

$$\square \times \square = \square$$

$$3 + 3 + 3 + 3 + 3 = \square$$

$$\square \times \square = \square$$

$$4 + 4 + 4 + 4 = \square$$

$$\square \times \square = \square$$
