

## Optellen

### 1. Tel bij elkaar op:

	+		=	
--	---	--	---	--

		+		=	
-------------------------------------------------------------------------------------	--	---	--	---	--

		+		=	
------------------------------------------------------------------------------------	--	---	--	---	--

		+		=	
---------------------------------------------------------------------------------------	--	---	--	---	--

		+		=	
-------------------------------------------------------------------------------------	--	---	--	---	--

		+		=	
-------------------------------------------------------------------------------------	--	---	--	---	--

		+		=	
---------------------------------------------------------------------------------------	--	---	--	---	--

### 2. Teken de aantallen met eigen motieven:

2	+	5	=	
---	---	---	---	--

3	+	1	=	
---	---	---	---	--

1	+	4	=	
---	---	---	---	--
